Our Knights of Columbus Mandate - Charity

As Knights of Columbus members our #1 precept is charity. Each of the over 15000 Councils worldwide devote their time and effort to charitable activities. This past year our Council Charitable donations exceeded \$40,000. Of that amount \$13,000 was given to SSM Cardinal Glennon Children's Medical Center. Without the support of the entire community we would never have accomplished such an outstanding goal. We are blessed with generous individuals and business owners of all sizes stepping up and saying, "yes I will help!" Our partnership of friends and sponsors is vast! Thank you so much!

A Message From...

Dear Knights of Columbus Evansville Council No. 1952,

SSM Health Cardinal Glennon Children's Hospital offers world-class medical care to all children, regardless of their family's ability to pay. It is with your generous gift that we will continue to reveal God's healing presence through our exceptional health care services.

We are grateful for the \$13,000 received on August 01, 2016 collected from the KOC Rally on the River benefiting the Knights of Columbus Fund. Your support and understanding of our mission helps us continue to serve more than 200,000 sick and injured children each year.

Cardinal Glennon Children's Hospital is a not-for-profit, 195-bed inpatient and outpatient pediatric hospital specializing in neonatology, cardiology, pediatric and fetal surgery and cancer services. Since opening in 1956, we care for children of all ages from Missouri, Illinois and around the world.

Thanks to the support of our community it is truly a joyous, energizing time for our patients, families and caregivers. On behalf of our patients and their families we thank you.

Sincerely,

Sandy Keller
Executive Director
SSM Health Cardinal Glennon Children's Foundation
